

# Border Collie Society of America National Agility Specialty

September 30 – October 2, 2025

**SITE INFORMATION:** As always, clean up after your dog. Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may be subject to AKC sanctions.

**MEASURING:** Mike Teh (exhibitor) will be a VMO at this event. Both Judges are also VMOs. **If you do NOT have a valid temporary or at least ONE measurement for a permanent height card, you MUST be measured before running. PLEASE allow ample time to be measured before your first run.** If you have received a valid temporary or permanent height card since sending in your entry (i.e. your confirmation still shows “measure”), please let me know so I may mark the database properly.

**CRATING:** Crating areas will be marked in the agility arena. Exhibitor set up starts at 12:30PM on Tuesday. PLEASE Respect this set up time—we do NOT want to have to remove people’s crates if they set up early.

We will be using Agility Gate for this event. **The code for this event is 63039** (the Zip code for Purina). You can use this app to check in, see the running order, who has run, etc. For more information, visit the website and watch the video relating to this app:

Course maps will be posted in the building in several places and online on the JPAWS website by 6:00AM daily. NO EXHIBITOR COPIES WILL BE PROVIDED. Links to the course maps will be on my website:

## WORKERS:

Worker links have been published on the JPAWS Website. PLEASE consider signing up in advance. Volunteering to work when you're available will help this year's event run smoothly!

Team information has been posted on the JPAWS website. You can add a team mate up to 2:00PM on Tuesday (at the start of judging). Sending your team information prior to Tuesday is ALWAYS appreciated.

PLEASE work out ring conflicts with the gate steward at the ring. The Gate Steward ONLY can move dogs in the running order. If you have a conflict, PLEASE note it in Agility Gate (Swipe left on your conflicted dog and touch “Conflict”. AND REMEMBER a happy face tends to get better service than a growl.
